

## As We Gather

How appropriate that Transfiguration Sunday falls on Valentine's Day this year.

When Jesus was transfigured on the mountain, God demonstrated His love to those disciples by giving them yet more evidence that Jesus was the Son of God.

In addition, after this event that revealed the Lord's great glory, Jesus firmly set His sights on Jerusalem and the cross where, in the greatest display of love, He sacrificed His life to save us all from sin, death, and the grave.

As we focus on the opportunity God gave to Moses when He gave him a view of the Promised Land prior to his death, we are reminded that God is a keeper of all His promises. Our assurance today is that one day we too will see Jesus face to face in all His glory. ✚
